HAWAII

Volcano & Ocean Adventure

CITY GUIDE

Let's explore the amazing volcanoes, beautiful oceans, and hidden diamonds of Hawaii!

STORY

Oh no!

The volcano is waking up!

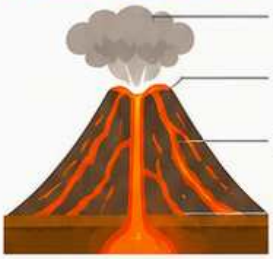
Lava is coming...

Can we find the diamond?

Long time ago... dinosaurs disappeared! Why? Volcano? Heat?

EXPLORE

Volcano Structure



Changes!

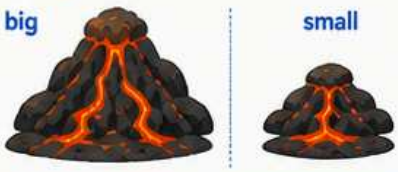
hot → very hot

red → black

Compare!

big

small



MISSION

Lava Jump!

Jump! Jump! It's hot!

Find the Diamond!

Find the diamond in the lava!

Safe or Danger?

Where is safe?

Where is danger?

SAFE

DANGER

EXPRESS

Let's act it out!

Make lava waves with the cloth!

Be a lava!

Be an explorer!

SPEAK

- It's hot!
- It's flowing!
- Look! Lava!
- It's dangerous!
- I found it!

THINK

- Why is lava hot?
- What happens next?
- Where is safe?

Choose!

Jump!

Stop!

FUN FACT!

Hawaii is made from volcanoes! It has beautiful beaches, warm weather, and amazing nature!

PARENT GUIDE

Today your child...

- ✔ learned about volcanoes and nature.
- ✔ explored cause and effect.
- ✔ used English to describe and think.

Try asking at home!

- Is it hot or cold?
- What happens next?
- Where is safe?

DISCOVER!

CHICAGO
THE CITY OF BIG BUILDINGS

CITY GUIDE

Let's explore amazing skyscrapers, count the floors, and build the tallest building!

Let's go to Chicago!

STORY

Wow! Look up!

Chicago has tall, tall buildings that touch the sky!

Can we build a taller one?

EXPLORE

FAMOUS BUILDINGS IN CHICAGO

Willis Tower (110 stories) **442 m**

Trump International Hotel & Tower (98 stories) **423 m**

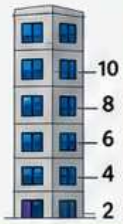
Aon Center (83 stories) **346 m**

875 North Michigan Ave (68 stories) **344 m**

MISSION

1 COUNT THE FLOORS!

How many floors can you count?



2 BUILD IT HIGHER!

Use blocks and build the tallest building!

3 TALL OR SHORT?

Circle the taller one.

CHALLENGE!

Let's build the tallest tower!

Work together and make your team's tower stronger and higher!

THINK & LEARN

Which is higher?

Let's count!

WORLD TALLEST BUILDINGS TOP 3

1. Burj Khalifa (Dubai) **828 m**
2. Shanghai Tower (China) **632 m**
3. Makkah Royal Clock Tower (Saudi Arabia) **601 m**

EXPRESS

Draw your dream building!

What does it look like?

SPEAK

- Look at that building!
- It's so tall!
- How many floors?
- It's taller than this one!
- Let's build it together!

PARENT GUIDE

Today your child...

- ✓ learned about buildings and heights
- ✓ counted and compared numbers
- ✓ practiced teamwork and creativity

Try asking at home!

- Which building was the tallest?
- How many floors did you count?
- Can we build a taller tower at home?

FUN FACT!

Chicago is called the "Windy City" because it is very windy!

KANSAS

The Sunflower State

CITY GUIDE

KANSAS

Let's explore wide open prairies, follow the wind, and make patterns!

STORY

Whoosh! Whoosh!

The wind is blowing across Kansas! Farmers grow wheat, corn, and sorghum on the wide prairies. Let's follow the wind and make beautiful patterns!

EXPLORE

What can we see in Kansas?

Wheat Fields

Windmill

Prairie

Wind Direction

The wind can blow in different directions!

North

East

South

West

MISSION

1 FOLLOW THE WIND!

Look at the windsock. Which way is the wind blowing?

2 MAKE PATTERNS!

Use colors or shapes to make your own wind pattern!

3 WINDY SOCK CRAFT!

Let's make our own windy sock!

PATTERN PLAY!

Make patterns with grains!

What comes next?

THINK & LEARN

Which way is the wind?

Look and choose!

What is a pattern?

A pattern repeats again and again!

EXPRESS

Decorate your own windy sock!

Use paper, stickers, and colors!

SPEAK

- The wind is blowing!
- I see a windmill.
- The pattern repeats.
- Look at my windy sock!

PARENT GUIDE

Today your child...

- ✓ learned about wind and direction
- ✓ made patterns with grains
- ✓ created a windy sock
- ✓ used English to describe and express

Try asking at home!

- Which way is the wind?
- What pattern did you make?
- Where do we see wind in our life?

FUN FACT!

Kansas is called "The Sunflower State" because sunflowers grow so well here!
